### Exploring Financial Options / Personalized Advanced Consultation

College is essential, expensive, and probably most importantly – college is a business. Families that are most successful are often those who have been educated on all aspects of the process. The ECP Family Suite does just exactly that ... leveling the playing field by helping the family concentrate their efforts on what matters most, making the best use of their time, and positioning themselves to succeed. In addition to exploring their **all-important financial options**; with ECP, families may also discuss more in-depth topics, such as:

- Early Decision – Yes or No?
- Impact of Private Sector Awards
- Merit Aid vs. Need-Based Aid
- What is the EFC? / What are Our EFC **Options**?
- Evaluating / Appealing Award Letters
- Pitfalls that Must be Avoided
- Why You Can't Miss Crucial Deadlines
- Colleges' Teaser Offers – What to Do?
- Campus Visits – How to Set the Foundation
- Identifying Your Best Educational Values
