When you register you will be required to select uniform number if new to the Club, select payment plan, and make your initial payment of the registration. Uniform orders can be completed via the Authentic Soccer website, [authenticsoccer.com](http://authenticsoccer.com). The registration fee is non-refundable and secures your position with the Club.

At registration you will also be able to request up to three uniform numbers (Number requests are not guaranteed), upload birth certificate, upload player photo and complete your Player Parent Commitment Agreement. The Player Parent Agreement and Player Policy documents are available on our website. We encourage everyone to upload as much as possible.

We have included a volunteer fee of \$100 assessed during the registration process. The fee will be credited to the player's account upon completion of volunteer hours served. All volunteer requests for Team Manager roles are not guaranteed, and other volunteer roles will include tournament help, social media and other events.

Pricing structure for the 2018-2019 season is explained below
